Mizpa Trading is a branch of Mizpa Group Holding Company. All our companies are founded on strict code of ethics and Christian principles. Meaning we are here as testimony to all that a company can be successful while doing business with honesty, truth and fairness.

Its our mission:

To be dependable, the alternative and have the best quality products available at the lowest prices on the market. And no job is too big or small for us.

Mizpa Trading is company that was inspired in early 2005 and founded in early 2007. We scour the Brazilian, Peruvian and US market for the best deal possible for our clients. It's our mission to service our clients in whatever they desire at a lower price. With construction products we started with Colonial Roof tiles offering our clients the best Brazilian roof tiles on the market at unheard prices. Our succes has indeed impacted the market price.

If you are a developer, builder or a project leader we can offer you the best quality products at the lowest prices. And if you are building your own home and want the best deal and the hottest items at the lowest prices do not hesitate to contact us.
